

ORIGIN / Investigation / Intelligence

ORIGIN / About Us

WHO WE ARE

Origin is a private investigation and intelligence agency, specializing in civil and criminal investigations, insurance fraud, surveillance, forensics, and more. We uphold the highest quality and ethical standards to serve a diverse portfolio of clientele, ranging from small enterprises to esteemed corporate accounts nationwide.

Within the private investigation landscape, Origin serves businesses and insurance companies nationwide by providing a network of skilled investigators, subject matter experts, intelligence analysts, seasoned law enforcement professionals with industry-leading resources.

ORIGIN / About Us

MISSION

To redefine the private investigation industry by providing businesses and insurance companies nationwide with a network of highly skilled investigators, subject matter experts, and intelligence analysts. We leverage industry-leading resources, advanced technology, and an unwavering commitment to uncovering the truth, ensuring clear, comprehensive, and decisive results for our clients.

VISION

To be the foremost private investigation agency recognized for our diligence, authenticity, and innovation. We aim to continuously enhance our capabilities and expand our nationwide network, delivering exceptional investigative services that set the industry standard while fostering trust and success for our clients.

ORIGIN / Services

CATEGORIES OF SPECIALIZED INVESTIGATIVE SERVICES

Origin offers a wide range of specialized investigative services tailored to meet the needs of corporate, legal, government, and individual clients, including top tier clients with cases nationwide. Origin maintains the highest standards of professionalism and expertise that consistently delivers results across a diverse spectrum of cases. Investigators are expected to uphold these standards and continually strive for excellence. As each case is unique, all of our investigative efforts provides us with a lifelong learning curve with unique challenges and growth opportunities.

CORPORATE

Origin has a network of highly experienced investigators for employee background checks, fraud investigations, regulatory compliance, and case management services to safeguard corporate firms.

ORIGIN / Mission Atlas

STANDARDS OF PROFESSIONAL CONDUCT

Origin Investigators are held to the highest standards to ensure the delivery of consistent, high-quality investigative services, especially given the top-tier clients we work with across diverse disciplines. Each high valued client is unique, yet the level of standards are held high. Therefore, Origin Investigators are expected to uphold high level of standards and commitment to excellence as well as operational expectations such as submitting daily expenses promptly, document work within 24 hours, and maintain professionalism and punctuality.

STANDARDS & PROFESSIONALISM

- Client Expectations:** At Origin, we hold ourselves to the highest standards, reflecting the high expectations of top-tier clients.
- Expertise:** Origin Investigators come from diverse fields, including federal, state, and local law enforcement, and have extensive experience who continuously look for growth opportunities to refine skills.

COMMITMENT TO EXCELLENCE

- Diverse Expertise:** Origin's investigative division covers a wide range of disciplines, including SIU, workers' compensation, accidents, criminal defense, and more.
- Uniform Quality:** Despite the diversity of clients, each unique client expects consistent, and high-quality deliverables with open lines of communication.

OPERATIONAL EXPECTATIONS

- Case Documentation:** Reports are submitted through Origin's user-friendly case management platform within 24 hours of case completion.
- Expense Submission:** For mileage reimbursements, expenses are expected to be submitted by the end of each business day to ensure streamlined processes.

ORIGIN / Resource Hub

INTERNAL RESOURCES

The Origin Resource Hub is designed to streamline access to essential resources enhancing work efficiency. A go-to place for documents, training materials, and essential tools. This centralized resource hub allows investigators to quickly find what they need, saving time and ensuring they are well-equipped to handle any case with confidence. The hub helps investigators to stay updated with the latest industry practices and technologies at Origin. Here are some of the brands with readily available products and services incorporated into the hub.
